

RACE EQUALITY STATEMENT

St. Joseph's Catholic School asserts its opposition to racism and its total commitment to equal opportunities and to treating people fairly regardless of heritage, ethnicity and culture.

We consider that all manifestations of racism are wholly unacceptable and we will act positively to eradicate racism should it occur.

We are all committed to peace and harmony among all. Each of us takes this responsibility seriously – staff, governors, parents and children – together we can play our part in influencing future generations so that true harmony and respect for one another are living facts in our daily lives.
